

## PRICES

Our packages include the analysis of your information and development of a research plan along with in depth research of the resources, analysis and report of findings, and suggestions for further research. However if the analysis and research plan in a initial consultation have already been completed for you by us previously, the ordered hours will be dedicated to research, analysis and reporting of findings as well as suggestions for further research. Included in the report you may find timelines that easily give you a breakdown of your ancestor's life, as well as an updated pedigree chart when necessary.

The price per hour we calculate with US \$ 60 in the case of a Basic25 research. If you order the Standard50, Advanced75 or Primium100 packages, the price per hour decreases constantly. If there is the necessity of inquire official sealed documents and in accordance with the main register accredited, with or without Apostille, and it includes the legal examination of your claim, as it is necessary in the HEIR / ESTATE / FORENSIC GENEALOGY we calculate the price with US \$ 100. If you order the Standard50, Advanced75 or Primium100 packages, the price per hour decreases constantly too. If you order a transkription respectively translation, we calculate the price per page with US \$ 40.
